II. ABOUT US

H-Cargo International Logistics was established in 2021, headquartered in Ho Chi Minh City. Even though H-Cargo is the new brand name in the market, our team had many years of experience working with many customers and overseas Agents in the world. We're becoming one of the leading freight forwarders, logistics services providers (sea/ land/ air), and especially in project cargo handling. We have worked with a global network of reliable and professional domestic, and overseas partners as well as many selected ocean carriers and airlines, giving you the guarantee that your shipment will reach the destination safely and on time.

We acknowledge that your shipment is not only cargo but also your reputation to your esteemed customers. Therefore, we always keep in our mind that your reputation is our reputation. Day or night, holidays or working days, we are always ready for your calls to care for your cargo.

In short, we live up to our promise "Speed - Safety - Prestige" – We do believe that you will be satisfied with our services".

Vision

To establish H-CARGO as an admired Leading Logistics & Shipping Provider by providing Globalized & Modernized services.

Mission

To provide the most convenient & the smartest transportation modes to customers. Integration and Innovation bring our core benefit through our systems & unique solutions.

Core Value

"Speed - Safety – Prestige"

**THINK BIG
DO SIMPLE**
